**KERRY AIRPORT (EIKY) EXTENSION OF AIRPORT TERMINAL BUILDING**

For a period of approximately 10 months, commencing in September 2024, work will be in progress on the Terminal Building construction works.

These works will require the installation of temporary Jet Blast Fence (JBF) north of Stand 1 to protect the construction site.

Maximum aircraft size permitted on Stand 1 will be restricted to aircraft with a wingspan less than 36 metres. Any further operational restrictions on the apron due to the works will be advised by NOTAM.

Works will take place over two phases as shown in figs 1 & 2 below.

The exact date of commencement of works will be promulgated by NOTAM with reference to this supplement.
